SDG&E Green Button Download

To Help us evaluate the benefits of [demand management](#), [energy storage](#), [demand response](#), energy efficiencies, or [solar PV](#) for your facility; we need to analyze your usage data. The most expedient means of getting the data is by downloading it from the [SDG&E website](#).

You are looking for this icon on the SDG&E website.

Follow these steps:

- In a web browser navigate to www.MyAccount.SDGE.com/.
- Log into [My Account](#).
- Click on the “*My Energy*” tab.
- Under the “*My Energy*” tab, click on “*My Energy Overview*”.
- Select “*My Energy Use*” from the “*View*” dropdown menu.
- On the upper right corner above the graph, click on the “*Green Button Data*” icon.
- Select the meter, you may have more than one.
- Select the date range, 12 months, on full months, i.e. 6/1/15 to 5/31/16
- Click “*Export*” to download.
- Save the file on your computer.
- Please do NOT open the file, edit it, or save in any other format.
- [E-mail the file to Power Planet \(GreenButton@DemandCharge.com\)](mailto:GreenButton@DemandCharge.com).
- Now you can open the file and play with it.
- Kick back and relax while we determine the optimal solution to reduce your electric bill.
